TALK ABOUT IT:

1. **God made each person unique and special. What are some ways that God made you unique and special?** (No one else looks like you, you have special talents, your personality is only yours. Talk about specifics and celebrate all of those!)
2. **Let's celebrate each part of our body that God made. He gave each body part a different and very important job.** Sing the Hokey Pokey using different body parts:

You put your leg in,
You put your leg out,
You put your leg in and you shake it all about.
You do the hokey pokey and you turn yourself around.
That's what it's all about! (clap when you do this part)

FAMILY PRAYER:

Dear Jesus, thank You for making the whole world. Thank You that You made me and everyone that I love. In Your name, Amen.
