God had a message that He wanted Elijah to share with King Ahab. The King didn't like the message and God told Elijah to go and hide. God said he would take care of Elijah and He did! God gave him water to drink and sent ravens to bring food to Elijah so he wasn't hungry.

TALK ABOUT IT:

1. **What is your favourite fruit? What is your favourite vegetable? Where do those grow? That's right! They grow in the ground and on trees.**

It is so cool that God gave us plants and trees that grow food.

2. **God loves and cares for you. He gives you everything you need. To help us remember this, we are going to play a game called "God Does!" I have a bunch of questions that I want to ask you.**

(in a whisper voice) **But guess what? You already know the answer is GOD DOES!**

When you answer, you can use a big voice!

- **Who gives us food to eat? (GOD DOES!)**
- **Who gives us water to drink? (GOD DOES!)**
- **Who gave us family to love us? (GOD DOES!)**
- **Who heals our bumps, scrapes, and bruises? (GOD DOES!)**

(Continue with other questions of how God cares for you/your family. This is a fun game to pull out randomly through the day to remind your child that God cares for them.)

FAMILY PRAYER:

Dear Jesus, thank you that you give us what we need. Thank you for taking care of us. Help us to show your love, and to care for those around us. We love you! In your name, Amen
