

God's Passion: The Gift to Us of The Holy Spirit - Day 4

The passion of God is so relational it gives us the very best. He wants to dwell in us by His Holy Spirit. God living in us is a beautiful mystery and gift beyond measure. It blesses us, in all reality, with all that we could ever truly want or need.

*But the Advocate, the Holy Spirit, whom the Father will send in my name, will teach you all things and will remind you of everything I have said to you. Peace I leave with you; my peace I give you.
John 14:26-27 NIV*

What Jesus set into place on the cross as He reclaimed all authority here on earth is a secret the enemy would love to keep quiet (see Matt. 28:18). When He breathed and "they received the Holy Spirit" (John 20:22), His fullness, power, and authority dwelled in them as men and women of God, just as it also does with us today. On the cross, he brought about our forgiveness, redemption, and freedom. He also put into place the power for us to live in the divine relationship of undeniable love.

*And God has given us his Spirit as proof that we live in him and he in us... All who declare that Jesus is the Son of God have God living in them, and they live in God.
1 John 4:13-15 (NLT)*

We have proof that testifies by Him living in us. With this, we have the same power that raised Jesus from the dead (see Rom. 8:9-11). We were told we would even do greater things than what we saw Jesus do (see John 14:12). Jesus gave us power and authority to reclaim this earth and His people by living in an undeniable, solid relationship with Him. To reach hearts, He will empower us to manifest His presence in whatever way required. Jesus sealed us with a calling and His gifts of love, presence, authority, and power.

With the promise of the Holy Spirit and power coming on the disciples, they were commissioned to be the witnesses to proclaim Jesus to the ends of the earth. This calling remains for each of us who live in the power of the Holy Spirit. In all our working and reaching, we are empowered from on high, in sealed relationship. God lives in us and enables us to be His very witnesses in excellence wherever we go. He loved us by giving us the incredible gift of the Holy Spirit to enable us to live out our calling and fully join the incredible Triune company.
