

Centre Street Church
Student Leadership Development Program
High School Students

Full-Time Position- 40 hours per week July 2 to August 30, 2024

Hello! We are Centre Street Church, committed to making an impact on people's lives, our communities and in the world. How do we do that? By leading people to Jesus and helping them become fully devoted followers of Christ. That's the driving purpose behind everything we do.

At our core, we are a network of small communities. These small communities function as extended families that support and challenge one another through discipleship. All of these communities networked together to make us united as one large church that gathers weekly for worship over services 9 across 5 campuses.

We are thrilled to announce that we are planning to hire several students this summer as part of our Student Leadership Development Program. *Hiring may be dependent on securing government grant funding.*

As a faith-based organization serving our community, we are seeking compassionate, motivated and service-oriented students to join our team and contribute to our mission. If you are a post-secondary or high school student with a heart for using your skills and abilities to make a difference in people's lives and are excited about how your experience can help us accomplish our mission of introducing people to Jesus and helping them become fully devoted followers of him, we would love to talk to you.
