

Centre Street Church

Student Leadership Development 2025

Groundskeeper – Multiple Campus

(Full-Time Position- 40 hours per week May 20 to August 24, 2025)

Hello! We are Centre Street Church, committed to making an impact on people's lives, our communities and in the world. How do we do that? By leading people to Jesus and helping them become fully devoted followers of Christ. That's the driving purpose behind everything we do.

Though we are a large church, at our core we are a network of small communities. These small communities function as extended families that support and challenge one another through discipleship. All of these communities networked together make us united as one large church that gathers weekly for worship over 10 services across 5 campuses.

We are thrilled to announce that we are planning to hire several students this summer.

Hiring may be dependent on securing government funding.

If you have a heart for using your skills and abilities to make a difference in people lives, and are excited about how your experience can help us accomplish our mission of introducing people to Jesus and helping them become fully devoted followers of him, we would love to talk to you.
