2. Pray for the South Campus Spiritual Conversations Class and the Basics of Evangelism Class happening on Mondays and Thursdays that people will be equipped and raised up to evangelize.

The New Canadian Hub

- For 2 new believers from Iran as they prepare for baptism; pray against spiritual opposition, and for good mentorship to grow in their faith.
- For Bible studies as they teach God's word, especially a new one that will challenge people to go beyond cultural curiosity to consider what it means to follow and obey Jesus.
- God to provide right person for several key volunteer lead roles.

Compassion & Care

- Pray that our "neighbours" would be more and more open to spiritual conversations and in allowing God to speak to them.
- Pray for physical, emotional and spiritual strength for our staff and volunteers as we see our attendance and needs continue to grow.

Pray for the Peace of Jerusalem. Pray for the wars going on in the Middle East, Russia and Ukraine. God would continue to be glorified through the Christians in Ukraine who are being his hands and feet during this tragedy. God's peace to strengthen and encourage the thousands of Ukrainian workers/volunteers serving refugees, and the poor in their communities, who need to hear of God's love for them through these Christian workers.

Please pray for the Persecuted Church the world over. The atrocities being committed in the name of religion. Churches and homes of Christians being burnt, beatings and rape of Christian women.

Please pray for people who are going through various illnesses, that they would experience a touch from the Lord. Pray for people who have lost their jobs, going through financial difficulties, through bereavement, children gone astray and health problems.

Pray for the Prayer movements around our country that would cause a revival to break out that would impact the lives of many who do not have a personal relationship with Jesus.
